***We need to modify motion to clearly state those joining sub-committees are invited to join the Comm meeting, but it isn't a requirement. Tabled***

4. Motion: **Mary moves** that Communication committee begin handling the CoDA Fellowship Forum, taking over from the CoDA board in May. This will commit to once a month to put on the forum, providing content, a moderator, and coordination with the CoDA list person so announcements

go out to all who have registered for them. There may be a cost associated with this, depending on whether an editing program is needed. Seconded by: Jeanne. Discussion.

Ayes: 5 Nays: Abstain: 1

5. If #5 passes - Discussion of who will take on Fellowship Forum & ideas.

6. Update of the P&P, to provide changes motions have made as well as update information for CET, Cphone and AVM. What about the history of the committee? Who updates that? I have not seen history of a committee in a P&P, but I haven't seen them all? note / **Jim K check p&p for abstain**
