 - a) Recruitment/Introducing potential new volunteers: all attendees introduced themselves
 - b) Caryn's discussion topic:
 - a. "Talking with my sponsor about writing her story, it came out that she was under the impression that there was a deadline on our call for new submissions. She also had conflated Co-NNections with CLC's calls for writings which sometimes do have deadlines. I imagine she's not the only CoDA member who has had this misunderstanding and I think we might want to address it somehow."
 - b. After some discussion, Laurel moved that we add either "We are always accepting submissions" or "We accept submissions on a rolling basis" to the Request for Submissions boiler plate. Motion passed unanimously with 1st option preferred. Geff will add it to the boiler plate.
