CoDA Opening Prayer: In the spirit of love and truth, we ask our Higher Power to guide us as we share our experience, strength, and hope. We open our hearts to the light of wisdom, the warmth of love, and the joy of acceptance. - All

Service Concept 5: Trusted servants are directly responsible to those they serve and are bound to honor the group conscience decision making process and uphold those decisions concerning their service work. The Fellowship also recognizes the need and right for members to honor their own experience, strength, and hope and their Higher Power's will as expressed to them. When the group conscience violates

an individual's own truth and makes participation impossible, the individual may relinquish the service position. - Kathy

Tradition 5: Each group has but one primary purpose: to carry its message to other codependents who still suffer. - Kevin

Promise 5: I know a new love and acceptance of myself and others. I feel genuinely lovable, loving and loved. - Danielle
