2. **Opened** with the CoDA Service Prayer and Service Concept Six at 4:06 EST
3. May **minutes** were accepted
4. **CLC motions for CLC 2021**
  1. **Coloring Book** fix editing mistakes
  2. ***Newcomer Handbook, Second Edition***
  3. ***Making Choices in Recovery, Second Edition***
  4. ***Twelve Tradition Prayers***
  5. ***Extended Serenity Prayer***
  6. ***Codependence & Recovery: The Differences***
  7. ***The Twelve Concepts Booklet***, Canadian VE motion
  8. **Texas motion, Service item with “I” Statements Patterns.** Assigned to CLC to complete next year. Motion sent to CoDA Board to continue work next year. We thought we had resolved it. IMC was checking up and we thought it was done but Texas wasn't. Board didn't say you don't need a motion to post on website. Nick was not the deciding voice. It never came back to us. Still a VEI for 2022? Our role: to facilitate getting their motion written well.
5. **Ongoing Projects,**
  1. ***Growing Up in CoDA*** Alyse (project leader,), Barbara, Teresa, Abbey, Michelle (Non-CLC member) Added exercises. Next big thing is gathering the stories we want and contact authors. Question: Is each subcommittee responsible for getting copyrights? There is CoDA member who is proofreader who wants to join the subcommittee but also may want to make huge changes and we probably do not want that. Lisa (***Reparenting Our Inner Child*** pamphlet) was asked if she wanted to write something for Growing Up. Not sure of her intentions. **Need more proofreading and editing.**
  2. **New Daily Reader** Sara, Debbie (Non-CLC member) Project needs members. Idea to have illustrations by member in CoDA.
  3. ***Story Gatherers*** Gillian (project leader) project needs members. Some write how CoDA has enhanced their lives, some don't. Could ask them to add it. Make the submission invite more clear. Some are appropriate for Growing Up. Alyse has helped look at submissions. Taking submissions until the end of December, 2021. Can use CoDA UK Notice Board to get the word out. **More CLC members needed to help.**
